Put yourself in Accounts Payable shoes!

appzen

AP inboxes are overflowing

I hope this email finds you well. Please find attached a new invoice from our company

Please disregard the previous email with the same subject and content. The correct invoice

Would you please send me the status and payment.

I am writing to request a change in our billing bank account from the current account

I hope this email finds you well. Please find attached a new invoice from our company

I apologize for any confusion as I did not see the payment due date in my previous email.

We have recently obtained a new Employer Identification Number (EIN) and would like to provide
