

CUSTOMER SUPPORT - DATA SHEET

Obsessing over customers is our #1 core value

Whichever support package you choose, we take your goals and experience seriously and will work to deliver you the best customer experience. We aim to delight you with a high-quality experience both when you use the AppZen service and interact with our team.

Below is a description of our support packages so you can decide what makes sense for your business. Our Standard package is included with your AppZen purchase, while the Premiere and Premiere Plus are available for purchase with an extra charge. Should you choose Premier Support, we will assign a designated AppZen Customer Success Manager to be part of your extended team, who will seek to understand your goals thoroughly, know the “ins-and-outs” of your account. With Premiere Plus, you’ll ensure that your team receives the maximum value using AppZen.
